Dear Parties:

Testimony Summaries:

On behalf of the Court Reporter staff, it will be helpful to her to get a written version of your witnesses' summaries in order to assist the court reporter's staff with terminology, and to maintain the record since you and the witness are appearing virtually and unavailable in person.

You can directly and singularly email the Court Reporter, Jo Wheat, Jo.Wheat@psc.sc.gov, without having to email all others unless you want. If you include any other PSC Staff, such as myself or David Stark, then the email and its attachments are required to be filed in the DMS. The Court Reporter staff has certain differences in corresponding with the parties due to the nature of their services that PSC staff does not have. If you do send a summary to me or other staff, not only will it be posted on the DMS, but also provided to the Commissioners.

Closing Statements:

As noted in the pre-hearing conference and roll call this morning, the Commission will entertain closing statements from any or all parties who want to make them in this Docket. A closing statement is not required. It is available to you and optional for all parties. As a guide, the closing statement, if possible, would be approximately the same length of your opening statement (up to five minutes) provided you are able to make the points that you deem necessary and relevant.

I hope that this helps. If you have any questions, please do not hesitate to advise. Thank you again for your assistance to our Court Reporter Staff.
